

A GREAT NEWSPAPER.

The Sunday edition of The St. Louis Republic is a marvel of modern newspaper enterprise. The organization of its news service is world-wide, complete in every department; in fact, superior to that of any other newspaper. The magazine section is illustrated in daintily tinted colors and splendid half-tone pictures. This section contains more high-class literary matter than any of the monthly magazines. The fashions illustrated in natural colors are especially valuable to the ladies. The colored comic section is a genuine laugh-maker. The funny cartoons are by the best artists. The humorous stories are high class, by authors of national reputation. Sheet music, a high-class, popular song, is furnished free every Sunday in The Republic. The price of The Sunday Republic by mail one year is \$2.00. For sale by all news dealers.
